Bill and Craig,

It was very nice to meet you both in person yesterday. Thanks again for making the trip into Boston. Attached are the congressional letters EPA has received regarding the Eliot 126 petition. I've also attached a copy of the slide deck used during yesterday's meeting.

We will forward along our responses to the letters as soon as they are released. And also, as requested, we'll keep you up-to-date on any meetings scheduled with Eliot. If you have any questions in the meantime, feel free to contact me.
